

PRICING PACKAGES

Compare our options and choose what's *best*.

Core Package

Build steady momentum and keep your revision on track. This option is for students who want to lock in core concepts and avoid the typical pre-exam panic. You will be provided a structured roadmap and regular checkpoints you need to stay accountable, ensuring you navigate the demanding IB workload with confidence.

Features:

- **Personalised Study Plan**
 - A tailored schedule based on your initial assessment that updates continuously as your skills improve.
- **Smart Progress Dashboard**
 - Visualise your topic mastery in real-time to stay motivated and focus on what truly needs attention.
- **Regular Momentum Check-ins**
 - Structured touchpoints to ensure consistency and prevent academic burnout.
- **Downloadable Session Notes**
 - Instant access to high-quality notes from every session for effective offline revision.
- **Exam Technique Training**
 - Coaching on how to navigate exam papers with time-management hacks and calculator tricks, to maximise point scoring.

Price: 500€/10h

Elite Package

Turn strong knowledge into maximum points. Using our exam simulation lab, we isolate and drill specific high-scoring tactics. You will never get stuck thanks to our full session recordings and guaranteed 24-hour response time during exams, plus you maintain full control over your calendar with our most flexible rescheduling window.

Features:

- **All Core features**
- **Session Recording Archive**
 - On-demand access to video recordings of every session, creating a personalised library for anytime review.
- **Exam Simulation Lab**
 - Timed mock exams every second Saturday (on top of our regular sessions), designed to replicate test conditions, build stamina, and diagnose strategy errors.
- **Priority Exam-Period Support**
 - Guaranteed 24-hour response times and priority session booking during the exam period.
- **Flexible Rescheduling Protection**
 - Adjusted for the demanding nature of the IB, the penalty-free rescheduling window is reduced from 24 hours (Core Package) to just 4.

Price: 900€/10h
